

Qualification Catalogue

According to § 4 (3) 6. of the Doctoral Degree Regulations (versions dating from 2016 and 2019) one of the prerequisites for the Acceptance as a Doctoral Student is a written agreement on doctoral studies, including an individual qualification program comprised of at least 9 credit points.

In its meeting of October 19th, 2016, the Doctoral Degree Committee of the Faculty 2 approved the following catalogue:

Art	Titel	LP
Research Qualification	Participation in a conference of at least two days' duration	1 CP
Research Qualification	Poster presentation at a conference	1 CP
Research Qualification	Presentation in front of an expert audience	1 CPs
Research Qualification	Presentation at a conference and contribution to the conference proceedings	2 CPs
Research Qualification	Publishing an article as main author within a scientific journal, book or similar entity (at least four pages)	3 CPs
Research Qualification	Publishing an article as co-author within a scientific journal, book or similar entity (at least four pages)	2 CPs
Further Specialist Qualification	Participation in a Summer / Winter School or a similar program (approx. one week)	0.5-6 CPs
Further Specialist Qualification	Attending suitable courses from Master's degree programs or at doctoral level and passing the examination	0.5-6 CPs
Key Qualification	Participation in the university's continuing education program (at least two days)	1 CP
Key Qualification	Attending events for the Certificate for Excellence in Teaching of the State of Baden-Württemberg	0.5-6 CPs

It is also possible to receive credits for the same type of qualification multiple times, e.g. two publications as main author could be credited as 2*3 CPs.
